Government funding only covers the cost of the provision of childcare and the delivery of the Early Years Foundation Stage (EYFS). The funding does not include any of the other services that our nurseries provide, which include, but are not limited to:

- Certain Extracurricular activities such as School Trips, French Classes
- Meals and Snacks
- Nursery supplies, including crafting and educational materials
- Consumables
- Activities that include additional resources, such as cooking or crafts
- The cost of administering the funding itself
- Access to our parents App
- As well as all those little extras that make our nursery special!

Government funding does not cover the cost of our additional services and all of those wonderful things which make our nurseries so special. Therefore, like most nurseries, we will ask parents to pay for these to enable us to carry on providing the very best care and experiences. This voluntary charge, known as an ‘Extras and Essentials’ fee, is included in the invoice amount above (Funded fee). Whilst the charge remains voluntary, placements where parents choose not to pay have an operational and financial impact on our nurseries. To ensure the care we provide for every child is not affected, and our nurseries can continue to operate sustainably, placements where parents choose not to pay the ‘Extras and Essentials’ fee are offered subject to availability. Full details of how Pippa Pop-ins Nursery Schools deliver Government funding can be found in our Government Funding Policy.

All children aged 3 to 4 years are entitled to Government free 15 hours for 38 weeks of the year. Pippa Pop-ins offers stretched entitlement over 40 weeks.

The fees above show the amount you will need to pay for your child’s place. This is a combination of funded hours, “Extras and Essentials” charges in relation to your booking pattern, and sessions that are not covered by the Government funding.

**“Extras and Essentials” fee - We charge £25 per week for Food and £230 per week for other consumables.**

### Extracurricular Activities

Children are required to take part in these activities if they are attending Nursery on the day they take place. If your child attends the same extracurricular activity more than once in the week, there will only be one charge.
