Funded hours are provided at no charge. The 'Funded Fee' columns reflect the cost of additional hours and voluntary extras for each booking pattern. Government funding only covers the cost of the provision of childcare and the delivery of the Early Years Foundation Stage (EYFS). The funding does not include any of the other services that our nurseries provide, which include:

- Enrichment activities such as French, drama, creative movement and nature studies
- Meals and snacks
- Consumables such as hygiene supplies, sun cream, and self-care items

**All charges for the above are voluntary for children accessing funded hours. Parents may opt out of any or all.*

The fees above show the amount you would pay for your child's place if taking a combination of funded hours, voluntary extras, and sessions that are not covered by the Government funding. Our voluntary extras are £25 per week for food and £250 per week for other consumables.

Full details of how Pippa Pop-ins Nursery Schools deliver Government funding can be found in our Government Funding Policy, by visiting our website at <https://www.pippapopins.com/policies/>
